

Sat. 9th :

At de grote markt:

10:55: Opinion news: The Martini tower bells play the NOS news theme followed by Eirik spitting a piece of fruit up in the air, shouts his opinions on the headlines of the day until the bells ring at 11:00

At the factory (A):

17:00: Apples and gravity defiance: When you arrive at location you will get an apple and together as a group we throw them up in the air shouting "FUCK YOU FASCIST GRAVITY" and hope the apples will stay up

Sun. 10th :

At Sjors's house (B)

17:00: Live improvised "noise" concert: With amped sticks, contrabass, effects and electronics, Eirik will improvise a composition of approximately 30 minutes.

Mon. 11th :

At the factory (A):

15:30: Self-made jet-pack test: Eirik will do an attempt of flying with a self-made jet-pack of cola-light and mentos.

Tuesday 12th :

At de grote markt:

11:55: Opinion news: The Martini tower bells play the NOS news theme followed by Eirik spitting a piece of fruit up in the air, shouts his opinions on the headlines of the day until the bells ring at 12:00

At the factory (C):

15:00: Debate between a fish and a bird: Eirik lays a mackerel ready for a seagull and we await the debate.

Wednesday 13th :

At the factory:

13:00: Free sandwiches!! : Wrapped in art for you pleasure. Eirik will walk around on the compound with his backpack full.

Thursday 14th :

At the factory (C):

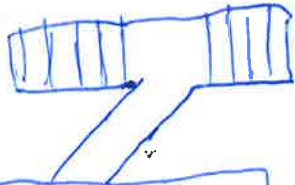

14:45: Hello / Goodbye safety: Eirik will "sail off" in a rubber boat waving goodbye and hello to all.

Schedule and maps for Eirik Rønneberg's performing works.
